

FOR IMMEDIATE RELEASE

AMFM247 Broadcasting Network, Inc. Wants To Thank Its Customers By Giving Them a Piece Of The Company.

(Tampa, FL – 8/26/16) The AMFM Broadcasting Company is offering new and existing customer's one hundred (100) full shares of their common stock. This **Loyalty Ownership Program** is the first and most generous of its kind.

"We're going to thank you like you've never been thanked before" says Stuart Vener, the company's President.

As a bonus, after one year of using their Radio Streaming service and/or hosting a show on the AMFM247 Radio Station(s), commencing in August of 2016 and on every subsequent annual anniversary, the Customer will receive 100 Shares of Common Stock.

Customers can earn 100 more shares by referring new customers to the AMFM 247 Broadcasting Network and/or the AMFM247 Radio Station(s).

The AMFM Broadcasting Network operates an internet radio streaming service for radio stations worldwide. They own servers in a facility in Dallas, Texas. The facility meets the United States Government FedRAMP requirements for safety and security.

The Company also operates 2 internet radio stations, simulcasting on 8 - AM and FM transmitters and a boutique public relations firm, Your Publicity Company.

Vener states that the future goals for the corporation include adding additional terrestrial transmitters in more cities in the United States and bringing the company public in 2018 with a new Initial Public Offering (IPO).
